To Whom It May Concern:

Teepak, LLC, has contracted Wealing Brothers, since the Fall of 1993, to land apply biosolids from our lagoons. They have consistently performed to Teepak's satisfaction.

While fulfilling their contracts, all Wealing Brothers' employees followed the safety rules and were very pleasant to work with. In addition, through Wealing Brothers, a very good rapport was established between Teepak and the area farmers on whose land the biosolids were applied.

We are very pleased with their performance and will continue to use their services in the future. If we can be of any additional assistance, please call either Ray Coon at 217-444-8477 or Sherrill Martin at 217-444-8483.

Sincerely,

A handwritten signature in black ink that reads "Raymond E. Coon". The signature is written in a cursive, flowing style.

Raymond E. Coon  
Environmental Supervisor
